2024 Jr. Sailing Registration Instructions and Explanation of Classes

The goal of sailing camp is to provide a safe and fun experience where kids can make friends and share the joy of learning to sail a small boat. They will learn:

- Boating safety
- How to rig a small sailboat
- How to right a capsized boat
- How to sail a small sailboat, including basic racing rules/technique
- Students learn Leadership, Teamwork, Sportsmanship, and Responsibility skills

The classes will be held at the AYC (Atwood Yacht Club). Students will attend from Tuesday to Friday each week. This is a day camp from 9am to 4pm each day. There will be adult supervision while your children are at camp. There are multiple safety boats on the water while kids are sailing.

Student requirements to attend camp are:

- Age limit at time of camp is 9 to 15 years
 - It is suggested that children need to weigh at least 50 pounds. They will be sailing Sunfish with two to a boat. Younger children are teamed with older kids to sail but they need to weigh enough to help right the boat when it capsizes. There are no adults on the boat with them while sailing.
- They need to be able to swim across the AYC pool without the aid of a flotation device.
- Students must have a properly fitted life jacket (with their name on the jacket)
 - There is a test in the pool to make sure of proper fit and we will help students make adjustments to their jackets if needed
 - Life jackets must be worn when near or on the water

Items needed at camp:

- Lunch for each day and a water flask (extra water jugs/bottles available)
- Life jacket
- Backpack/bag for storing clothes and lunch
- Change of clothes
- Hat
- Sunglasses (with keeper preferred)
- Sun screen
- Water shoes are recommended
- Towel to dry off with
- Bathing suits (swimsuits suited to athletic activity needed)
 - Cover ups/t-shirts must be worn while on the club patio for classes

- Campers may bring snacks but due to the **many people who have nut allergies, no peanut or nut snacks will be permitted at camp.**

Weather permitting; we will have a race/regatta on Friday around noon and a closing ceremony at approximately 2pm (dependent on weather conditions and how much racing is possible). Parents, Grandparents, and friends are welcome to attend and will be able to watch the races from the hillside by the club pavilion. This is also a good time to be able to see the club and what it has to offer.

The AYC Jr. Sailing program is made possible by a group of volunteers who provide instruction, on the water safety teams, and chaperone the kids. There are no paid positions with the Jr. Sailing program.

We appreciate donations of bottled water and **nut free snacks for the kids but please read the labels before sending snacks.** Donated snacks must be individually wrapped and not home-made.

Check in for camp is on Tuesday morning, 9am at the AYC Jr Sailing Pavilion at the rear of the property (past the pool). We will need to have a Medical form completed and parents must check in with a camp nurse. Instruction begins following registration completion.

Additional Opportunity – Recommended, but not required!

Persons born on or after January 1, 1982 who operate a boat in Ohio powered by more than 10 horsepower* must provide proof of boater education. Our favorite way to meet this requirement is Boat US through their online coursework. You can register through this link and elect to provide a donation, or remove the donation and complete the course for free.

This course provides valuable safety and operating information and is a great way to ensure you or your child is covered in the future to own or operate/rent a boat! Anyone can take the course, but the ability to operate a vessel over 10 HP goes into effect after they reach 12 years old.

The classes are filled in the order the registrations are received.

The Junior Sailing camps have become very popular. We have steadily increased the number of students to 32 per week to be able to have as many kids as possible attend each year. Our committee feels that 32 is our limit. We give the club members priority by giving them a week to register their children and grandchildren. After that, remaining openings are filled.

Mail your forms in immediately to have the best chance to get into one of the weeks.

Please mark your 1st and 2nd choice of weeks/dates on the form. **If only one choice is listed and it isn't available we will put you on the waiting list for your choice.**

Be sure to return the signed registration form, medical form, and photo release along with your payment to reserve a place at camp.

Photos of your children are taken with their first name at camp to help us learn their names and identify them. Lots of pictures are taken at camp of various activities. If used for any reason, such as in our newsletter, we do not publish names. There is no way to separate any one out of a picture, especially a group picture so the photo release is required.

There is also a form included if your child will need to be picked up at any time by anyone other than their legal guardian/parent.

We will use the phone number you supply to reach you in case we would have to cancel a day of camp due to dangerous weather.
